EXPERIENCE

Hubungan Luar (HUBLU)

Himpunan Departemen Teknik Informatika
03/2023 - Present

Accomplishments so far are effective collaboration, proficient communication, and adept handling of individuals and groups.

Vice Chairman of Bootcamp And Seminar Technology Event

Schematics 2023
01/2023 - Present

I am currently managing the planning and preparation of two national events, seminars, and bootcamps, as part of our division. While the events are yet to take place, I have been actively involved in their design and organization, ensuring all necessary arrangements are in place for their successful execution.

Web Development

INDOCOR ITS
11/2022 - Present

In the web development division, I mastered HTML, CSS, and JavaScript as my core skills, and furthered my expertise with React.js, Next.js, Tailwind, and other frameworks. Additionally, I gained valuable experience in deploying websites, ensuring the delivery of functional and accessible web solutions.

Front End Developer Internship

PT. Gawe Gawe Solusi Teknologi
04/2023 - 07/2023

During my internship, I honed my skills in Redux.js, Tailwindcss, and Next.js while working on a business website and a Learning Management System. I also gained valuable experience dealing with real clients, enhancing my ability to deliver practical solutions to meet their needs.

Talent Management

Ini Lho ITS! 2023
10/2022 - 02/2023

Obtained soft skills: public speaking, time management. Proficient in handling campus influencers and student ambassadors. Experienced in organizing events (upgrading sessions, welcome parties) and preparing ambassador tasks.

Organizing Committee

OKKBK (Orientasi Keprofesian dan Kompetensi Berbasis Kurikulum)
07/2022 - 08/2022

Staff of Seminar Event Division

Schematics National Seminar of Technology
06/2022 - 10/2022

Festival Event Division

Kiprah Seni Smarihasta
10/2019 - 03/2020

SUMMARY

As an international student with a strong passion for web development, particularly in front-end development, I am equipped with some skill set. I have actively pursued my interest by attending various programming courses and participating in web development events, including internships and organizations. Additionally, I have a interest in the fields of cyber security and data analysis. I'm eager to contribute with web development expertise and growing interest in related fields. .
